2017-2018

ATHLETICS HANDBOOK

The St. Aloysius Catholic School Parent/Student Handbook is incorporated in this Handbook by reference. These provisions are considered a contractual agreement between St. Aloysius Catholic School and each student and parent as well as with each coach of a school athletic team.

**An athletic contest is a game.
Winning the contest is important, but
Winning in life is much more important.**

DIOCESE OF BATON ROUGE PHILOSOPHY OF SCHOOL-SPONSORED ATHLETICS

The greatest strength of the elementary and middle Catholic schools of the Diocese of Baton Rouge is the opportunity and responsibility of the administration of each school to consider and use the uniqueness of its circumstances to provide the best Catholic education possible for its students. Within this basic tenet, the first priority of such schools is the overall development and growth of each of our students - spiritually, socially, mentally, emotionally, and physically. School-sponsored intramural and interscholastic athletic programs provide a medium by which students can develop an awareness of their abilities, learn and improve athletic skills, acquire the true meaning of and practice sportsmanship, be a part of a team effort, and have experiences which form foundations for life, particularly in the student's self-esteem and feeling of belonging.

Such programs should emphasize the positive accomplishments of the individual through recognition and praise, development of skills and understanding of the game through instruction and positive constructive criticism, and increased understanding of group effort and interaction toward a common goal. Athletics should be a component of and interact with the spiritual, social, and academic components of the overall school program. Administration, faculty, staff, coaches, parents, and fans are necessary components in nurturing a positive Catholic athletic experience. Schools with interscholastic programs should participate in leagues or programs consistent with this philosophy and that of the individual school.

ST. ALOYSIUS ATHLETICS

St. Aloysius Catholic School offers special athletics which are organized for the inter-school competition and which are extracurricular. The purpose of athletics is not only to build strong bodies, but to develop strong Christian character. Students who represent St. Aloysius Catholic School should show good sportsmanship at all times and in all places.

Students who participate in school athletics must:

- 1. Put forth effort in academic work.*
- 2. Be cooperative with teachers and coaches.*

(Excerpt from Parent/Student Handbook)

Academics - Students must maintain an overall "C" average (74 .5% and above) in the subject areas which receive number and letter grades for the nine weeks. Eligibility will be based on the next reporting period and will only be reevaluated at the next reporting period.

The results of the previous year's fourth nine week's report card grades will be used to determine eligibility for sports played throughout the first nine weeks of the school year. Each subsequent report card will determine eligibility for the entire nine weeks period that follows.

Discipline

1. *Students in grade five who receive six disciplinary referrals will be **suspended from the next contest and all practices prior thereto**. Any subsequent referral after the sixth will result in suspension **from the next contest and all practices prior thereto**.*

2. *Students in grades six, seven and eight who receive two major referrals, one major referral and three minors, or six minor referrals will be suspended **from the next contest and all practices prior thereto**. Any subsequent referral will result in further suspension **of one contest or three contests, and all practices prior thereto**, depending on whether the referral is a major or a minor.*

The administration reserves the right to remove any student from sports eligibility should a serious incident occur during the school day or at a sports or school related activity.

No student may participate in a scheduled practice or sports event on the same day that the student is absent, checks out for the day or is suspended from school.

(Excerpt from Parent/Student Handbook)

A Winning Purpose - Our athletic program must

- (1) Demonstrate the values, attitudes, and behavior that reflect and are consistent with the teachings of Jesus Christ.

- (3) Foster cooperative attitudes through teamwork.
- (4) Emphasize that player improvement in skills and development of confidence take precedence over a favorable win-loss record.

A Winning Philosophy - We WIN when our players by participating in our athletic program:

- (1) Grow in faith.
- (2) Succeed academically.
- (3) Develop pride in themselves and in their teammates, team, school, and church parish.
- (4) Develop respect for rights and privileges of teammates, coaches, opponents, and officials.
- (5) Develop a sense of responsibility to the team and teammates.
- (6) Develop a desire to excel and be the best they can be.
- (7) Mature mentally, emotionally, physically, and socially.
- (8) Become willing to make personal sacrifices, putting team achievement ahead of personal achievement.
- (9) Enjoy the spirit of competition.
- (10) Accept victory and defeat with dignity.
- (11) Become leaders on and off the field.

ATHLETES

ST. ALOYSIUS SPORTS CODE

The Player - I am humble in victory and gracious in defeat. I respect my coach and the officials and accept their authority without question. I represent my school with class. I develop character by working toward a goal over time. I will not quit! (Excerpt from Parent/Student Handbook)

Fundamentals for St. Aloysius Athletes

Faith, family, team, then me.
Treat others like I want to be treated.
Do what is right even when no one is looking.
Do my best.
Never, never, never give up.

St. Aloysius Athlete's Prayer

HEAVENLY FATHER,
Thank You for this day.
Thank You for your gifts which enable me to play this sport.
Help me to use your gifts through practice and teamwork.
Help me to compete to the best of my ability.
Let me play well, but fairly.
Help me to persevere, to never quit, to never give up.
Grant me moments to rejoice, but not at the expense of my teammates or opponents.
If we have victory, allow me to be happy; if we are denied, keep me from envy.
Help me to remember that sport is just a game.
Keep me and the other players safe from injury.
Help me to learn something that matters each day
If through playing this sport, I set an example, let it be a good one.
In the name of your Son, Jesus Christ.
Amen

Participation The commitment to a school team is for the entire season and paramount to any activity or event other than a family, church, or other school sponsored activity. A player should not participate in another sport or on another team that will require the player to miss required practices and contests in a school sport. Any practice or contest missed due to such reasons will be considered an unexcused absence. If a player misses three or more practices or contests without extenuating circumstances, his or her continued eligibility in that sport and in future sports will be reviewed by the coach, athletic director, and school administration.

Responsibilities Each player is to:

- (1) Comply with regulations and policies of St. Aloysius Catholic School and St. Aloysius Church Parish, the Parent/Student Handbook, this Handbook, and CSAA rules, as applicable.
- (2) Maintain academic and discipline standards.
- (3) Set realistic performance goals.
- (4) Meet his/her obligations to the team and coach.
- (5) Accept the authority of the coach to determine strategy and player selection.
- (6) Attend all scheduled practices and contests. If not able to make a scheduled practice or contest, advise the coach in advance.
- (7) Get to practices and contests on time, be properly dressed, have the necessary equipment, and be prepared to participate with enthusiasm.
- (8) If on medical or excused leave, attend all practices/contests at the discretion of the coach.
- (9) Inform the coach of any physical disability or ailment that may affect the player's safety or the safety of others.
- (10) Avoid behavior or practice that endangers the health or well-being of other players.
- (11) Properly maintain and return all uniforms and equipment provided by the school.
- (12) Help maintain field, court, gym, or track restrooms, locker rooms, and adjoining areas during and after practices and contests.
- (13) Exhibit high standards of personal behavior, attitude, honesty, integrity, and sincerity.
- (14) Be positive and supportive of our coaches and teams, the athletic director, the athletic program, the school administration, and other team members.
- (15) Remember that sports participation is an opportunity to learn and have fun.

- (17) Concentrate on skill development, competing fairly, playing hard, doing your best, and never quitting.

COACHES

ST. ALOYSIUS SPORTS CODE

The Coach - *I teach my players much greater lessons than simply how to win. I create a positive environment that allows players to develop confidence as well as a competitive spirit. I lead by example at practice and in games. I am fair in my evaluation of skills and my efforts to develop skills. I lead players and spectators to respect officials by setting a good example. (Excerpt from Parent/Student Handbook)*

Adult Responsibility in Extracurricular Activities - *There are anxiety levels related to sports as well as other extra-curricular activities. Being able to minimize stress is of great importance. As students participate in these activities, adults should be aware of the child who has a tendency to be more anxious than the average child. Emphasis on the child's efforts rather than on doing something without error is very important. This reassures the child that worthiness as a human being is centered not so much in "winning" but in a willingness to do one's best. Coaches, parents and moderators are expected to observe the policies of St. Aloysius Catholic School and the CSAA regulations. (Excerpt from Parent/Student Handbook)*

- (1) Carry out the ideals of St. Aloysius Catholic School and the expectations of good sportsmanship.

- (19) Perform duties subject to the overall direction of the athletic director, and if an assistant coach, to the specific direction of the head coach.

PARENTS

ST. ALOYSIUS SPORTS CODE

The Parent - *I am the guiding force behind my child's attitude. What is said about coaches and teammates is reflective of my intent to mold positive character in my child. I will support the efforts of my child more than the results. I will do my part to encourage a positive environment off the field as well as on the field. (Excerpt from Parent/Student Handbook)*

Adult Responsibility in Extracurricular Activities - *There are anxiety levels related to sports as well as other extra-curricular activities. Being able to minimize stress is of great importance. As students participate in these activities, adults should be aware of the child who has a tendency to be more anxious than the average child. Emphasis on the child's efforts rather than on doing something without error is very important. This reassures the child that worthiness as a human being is centered not so much in "winning" but in a willingness to do one's best. Coaches, parents and moderators are expected to observe the policies of St. Aloysius Catholic School and the CSAA regulations, as applicable. (Excerpt from Parent/Student Handbook)*

Parent Participation - *Parents should see that students are on time for practice and are picked up at the designated time.*

Parents are expected to share in the responsibility of manning the concession stand and in the collection of admission charges.

Parents should assist students in properly maintaining team uniforms.

(Excerpt from Parent/Student Handbook)

Parents play an important role in their child's sports experience. Parental participation is a necessary but parental cooperation is essential. However, if in the opinion of the administration, parent behavior seriously interferes with the athletic process, a parent may be banned from practices and contests and/or the student may be denied participation in St. Aloysius athletics.

Parents should:

- (1) Assist their child in maintaining academic and discipline standards.
- (2) NOT force their child to participate in sports.
- (3) Accompany their child to orientation and informational meetings.
- (4) Help their child meet his/her obligations to the team and coach.
- (5) Help their child set realistic performance goals.
- (6) Demand that their child treat other players, teams, coaches, officials, and fans with respect.
- (7) Emphasize to their child that skill development, competing fairly, and doing one's best are more important goals than winning.
- (8) Inform the coach of any physical disability or ailment or any uniform or equipment condition, that may affect the safety of their child or others.
- (9) Not encourage any behavior or practice that would endanger participating players.
- (10) Not coach their child or other team members at a practice or contest, unless a team coach.

- (11) Ensure that their child attends all scheduled practices and contests. If the child is not able to make a scheduled practice or contest, advise the coach in advance.
- (12) Ensure that their child gets to practices and contests on time, is properly dressed, has the necessary equipment, and is picked up after the practice or contest on time.
- (13) Attend contests to support their child and the team.
- (14) Not leave a child or other player at practice or a contest without another parent or adult responsible for the child or player.

- (17) Assist in keeping all school athletic facilities in a clean and safe condition.
- (18) Observe the regulations and policies of St. Aloysius Catholic School and the CSAA.
- (19) Remember that children participate in sports to have fun and the game is for the players.
- (20) Show respect and courtesy, and demonstrate positive support, for all players, teams, coaches, officials, and fans at each practice or contest.
- (21) Accept the authority of the coach to determine strategy and player selection. Should the parent desire to talk to the coach, it should be done at a mutually agreed upon time and place.

FANS

THE ST. ALOYSIUS CONDUCT CODE

The Spectator - *I show respect toward the officials, coaches and players of both teams. I come to the game to support my team. I supervise children under my care at the athletic event. I will never drop students off unsupervised at an athletic event. I am aware that my behavior sets an example for ALL to see. (Excerpt of Parent/Student Handbook)*

Adult Responsibility in Extracurricular Activities - Spectator Conduct - *Fans should cheer a good play, avoid negative comments, be supportive. Fans should allow the coach to perform his/her duty. Parent/coach issues should be discussed away from the playing field or gym. Fans should not criticize the opponents' players, coaches, or other fans. Student athletes must learn the respect due others. It is not fair to ask students to show good sportsmanship if adults do not act in a sportsmanlike manner. Parents and coaches should be leaders by their actions.*

Fans should not criticize game officials. They are dedicated individuals who love youth sports. They will, on occasion, make mistakes, but they should not be subjected to abuse from spectators.

Children who are spectators must be in the charge of a supervising adult when they attend a sports event. No student or younger child should be at an athletic event as a spectator without a parent or responsible adult present. Children are not allowed to roam the campus. (Excerpt from Parent/Student Handbook)

Fan support can be a very positive force in an athletic contest or practice by appreciating and commending good effort and skill no matter which individual/team exhibits it.
