Eligibility is based on report cards and disciplinary matters in each nine week reporting period and is reevaluated at the end of the next nine-week reporting period. (Refer to the School Parent/Student Handbook for further details.)

Practice. Practices will begin week of November 27 and are held Monday, Tuesday, and Thursday after school and sometimes on weekends based on coach and gym availability.

CSAA Varsity and Junior Varsity Season. The Varsity jamboree will be played between December 6-8. The regular season will begin on January 4th and end by March 6th. The maximum number of league games is 14. League games are played on weekday evenings and Saturday mornings. In addition, each team may play in a maximum of two weekend tournaments. No standings are kept, championship recognized, or award given.

Uniform. Each player will be issued a jersey and short. These items are to be worn at games. [See **Uniform Contract, Conflicts, and Shirt Order Form.**]

Equipment. Each player must provide his own shoes and wear plain white socks during games.

**Fee.** The fee is **\$110 payable to "St. Aloysius Athletic Department"**. The fee includes your son's CSAA registration.

**PLAYER PARTICIPATION.** Team members will receive adequate playing time. However, game participation may be based on attendance and participation at practice, attendance at games, conduct, and attitude. In the 6th and 7th grades, each player present and available to play at a league game must play at least one quarter without substitution during the game. A waiver is permitted for injury, disqualified player, and disciplinary action.

**REQUIRED FORMS** - Prior to participation in a game, a student must provide (1) completed uniform contract, conflicts, shirt order form, (2) completed sports participation form, (3) completed sports contract, and (4) completed medical history evaluation/physical examination form which verifies that the student is physically able to participate (Forms are available on the school's website under "Athletics").

**NOTE: Forms (2), (3), and (4) do not need to be submitted again if already turned in for the student in this school year for cross country, football, or swimming.**

**PARENTAL PARTICIPATION.** Parent participation is a necessary part of a successful sports program. Parents are responsible for getting their child to practices and games on time and with the necessary equipment and are to pick up their child after practice or a contest on time.

Parent assistance is also needed in the collection of admission charges and the manning of the concession area at home games. After team rosters are determined and league schedules received, a work schedule will be prepared and sent to the parents of team members with specific assignments for home games on a rotating basis.

**CSAA JUNIOR VARSITY BASKETBALL** - This program is for boys in the 6th, 7th, or 8th grades who are not participating on a CSAA Varsity team. Practice will start after Thanksgiving Day and the season will begin on January 4<sup>th</sup> and end by March 6th. No standings will be kept nor championship recognized or awards given in the league. Games will be played at the participating schools. **Only boys who participate in CSAA Varsity tryouts may play CSAA Junior Varsity.**
