

2018 CSAA DEVELOPMENTAL BOYS FOOTBALL GRADES 4 & 3

PARENT MEETING - A meeting with parents for football will be held on Sunday, August 5th at 6:30 pm in the old gym.

No otherwise eligible student will be permitted to participate in a game until the required fee and forms are received by the athletic director.

The **4th grade team** is open to (CSAA eligible) boys in the 4th or 3rd grade who will be at least 8 on September 30th and who do not become 11 prior to September 1st. A player who does weigh in at more than 120 pounds is restricted to playing a down lineman position on offense and defense.

SAS ELIGIBILITY - The school administration may remove any student from eligibility. Eligibility is based on report cards and disciplinary matters in each nine week reporting period and is only reevaluated at the end of the next nine-week reporting period. Last year's fourth nine weeks' report card grades are used to determine eligibility during this first nine weeks period. (Refer to the School Parent/Student Handbook.)

Practice is scheduled to begin the week of August 12th. Practices will generally be held on Tuesdays and Thursdays from 5:30 to 7:30 pm.

Season. The season will begin with a jamboree game on the weekend of September 9th. League games are played on Saturday mornings. No standings will be kept nor any championship recognized or award given.

Uniform/Equipment. Each player is to provide his own helmet (white with no decals), chin strap, mouthpiece (cannot be clear or white), shoulder pads, white pants with pads, and white game socks. Each player will be provided a practice jersey and a game jersey. [**See Uniform, Conflicts, and Shirt Order Form.**]

Shoes. Each player must provide his own shoes. [Non-removable cleats can be worn on shoes made of canvas, leather, or synthetic. However, shoes with removable cleats are prohibited.]

Fee. The fee is \$110 payable to "St. Aloysius Athletic Department". The fee includes your son's CSAA registration fee.

PLAYER PARTICIPATION - Team members will receive adequate playing time. However, game participation may be based on attendance and participation at practice, attendance at games, conduct, and attitude.

REQUIRED FORMS - Each student, prior to participation in a game, is to provide (1) completed uniform, conflicts, and shirt order form, (2) completed sports participation form, (3) completed sports contract, and (4) completed medical history evaluation/physical examination form which verifies that the student is physically able to participate (forms are available on the school's website under "Athletics").

PARENTAL PARTICIPATION. Parent participation is a necessary part of a successful sports program. Parents are responsible for getting their child to practices and games on time and with the necessary equipment and are to pick up their child after practice or a contest on time.

Parent assistance is also needed in field preparation, the collection of admission charges, and the manning of the concession area at home games. After team rosters are determined and league schedules received, a work schedule will be prepared and sent to the parents of team members with specific assignments for home games on a rotating basis.
