Re: Providing Supervision/Study Hall/Snacks on selected days during football season

With the 2:50 pm school ending time, it is impossible for volunteer coaches to report to school for football practice immediately after school. During football season, Athletic Director/Football Coach Jerry Guillot, will be able to provide supervision on Wednesdays and Fridays immediately after school at 2:50pm whenever there is practice on those days.

On Mondays, Tuesdays, and Thursdays of football season, practice will not begin until 3:30pm. You may pick up your child at 2:50pm (the end of school) and return at 3:30pm if you choose. **Under NO circumstances will students be allowed to remain on campus unsupervised.**

St. Aloysius School will offer a supervised program for football players in 5th - 8th grade during the season on Mondays, Tuesdays and Thursdays if football practice is held on any of those days. At this time, the following days are scheduled for supervision of 5th - 8th grade football players:

Football players enrolled in this program would report promptly at 2:50pm to the cafeteria. Students would be **REQUIRED** to immediately begin homework. A snack and drink will be provided on August 10. Beginning August 14, a substantial meal or a snack and a drink will be provided by the school. Additionally, students may also bring their own snack. Coaches would retrieve the players from the cafeteria at 3:30pm for football practice and would be responsible for their safety and security from that time.
