In the 6th and 7th grades, each player present and available to play at a league game must play at least one quarter without substitution during the game. A waiver is permitted for injury, disqualified player, and disciplinary action.

REQUIRED FORMS - Each student, prior to participation in a game, is to provide (1) completed uniform contract, conflicts, and shirt order form, (2) completed sports participation form, (3) completed sports contract, and (4) completed medical history evaluation/physical examination form which verifies that the student is physically able to participate (forms available on the school's website under "Athletics").

PARENTAL PARTICIPATION. Parent participation is a necessary part of a successful sports program. Parents are responsible for getting their child to practices and contests on time and with the necessary equipment and are to pick up their child after practice or a contest on time.

Parent assistance is also needed in the collection of admission charges and the manning of the concession area at home games. After team rosters are determined and league schedules received, a work schedule will be prepared and sent to the parents of team members with specific assignments for home games on a rotating basis.
