

2017 CSAA DEVELOPMENTAL GIRLS BASKETBALL- 5TH GRADE

PARENT MEETING - A meeting with parents for girls basketball will be held on Sunday, August 6th at 6:00 pm in the old gym.

No otherwise eligible student will be permitted to participate in a game until the required fee and forms are received by the athletic director.

Each player will play a minimum of one quarter per game. No standings will be kept, nor championships or awards granted. Games will be played at the participating schools.

The **5th Grade team** is open to girls in the 5th grade who were at least 10 on September 30th and who did not become 12 prior to September 1st. Each team will consist of at least seven players.

If numbers warrant, multiple teams will be formed. Each team will have a separate coach and separate league schedule. A team roster will have a minimum of seven students. To the extent feasible, everyone will be assigned to a team.

SAS ELIGIBILITY - The school administration may remove any student from eligibility should a serious incident occur during the school day or at a sports or school related activity. Eligibility is based on report cards and disciplinary matters in each nine week period and is reevaluated at the end of the next nine-week period reporting period. Last year's fourth nine weeks' report card grades are used to determine eligibility during this first nine weeks period. (Refer to the School Parent/Student Handbook for further details.)

Practice and Season. **The first practice will be announced after sign-up deadline on August 12.** Practices will be held based on coach and gym availability. The season occurs in September, October, and early November. No standings are kept nor any championship recognized or award given.

Uniform. Each player will be issued a jersey and short. These items are to be worn at games and must be returned after the season. **[See Uniform Contract, Conflicts, and Shirt Order Form.]**

Equipment. Each player must provide her own shoes and wear plain white socks during games.

Fee. **\$110 payable to "St. Aloysius Athletic Department"** The fee includes your daughter's CSAA registration fees.

PLAYER PARTICIPATION. Team members will receive adequate playing time. However, game participation may be based on attendance and participation at practice, attendance at games, conduct, and attitude. Each player present and available to play at a league game must play at least one quarter without substitution during the game. A waiver is permitted for injury, disqualified player, and disciplinary action.

REQUIRED FORMS - Each student, prior to participation in a game, is to provide (1) uniform contract, conflicts, and shirt order form, (2) completed sports participation form, (3) completed sports contract, and (4) completed medical history evaluation/physical examination form which verifies that the student is physically able to participate (forms available on the school's website under "Athletics").

PARENTAL PARTICIPATION. Parent participation is a necessary part of a successful sports program. Parents are responsible for getting their child to practices and contests on time and with the necessary equipment and are to pick up their child after practice or a contest on time.

Parent assistance is also needed in the collection of admission charges and the manning of the concession area at home games. After team rosters are determined and league schedules received, a work schedule will be prepared and sent to the parents of team members with specific assignments for home games on a rotating basis.
