Each team roster shall be developed by the coach and shall consist of at least eight players, but should consist of at least 10 players and not more than 12 players.

SAS ELIGIBILITY - The school administration may remove any student from eligibility should a serious incident occur during the school day or at a sports or school related activity. Eligibility is based on report cards and disciplinary matters in each nine week reporting period and is reevaluated at the end of the next nine-week reporting period. (Refer to the School Parent/Student Handbook for further details.)

Practice and Season. Practice begins in August and will be held based on coach and gym availability. The season occurs in September, October, and early November.

Uniform. Each player will be issued a game jersey and shorts. These items are to be worn at games. **[See Uniform Contract, Conflicts, Shirt Order Form.]**

Equipment. Each player must provide his own shoes and wear plain white socks during games.

Fee. The fee is **\$110 payable to "St. Aloysius Athletic Department"**. The fee includes your daughter's CSAA registration.

PLAYER PARTICIPATION. Team members will receive adequate playing time. However, game participation may be based on attendance and participation at practice, attendance at games, conduct, and attitude. Each player present and available to play at a league game must play at least one quarter without substitution during one of the first three quarters of the game. A waiver is permitted for injury, disqualified player, and disciplinary action.

REQUIRED FORMS - Each student must, prior to participation in a game, provide (1) completed uniform contract, conflicts, shirt order form, (2) completed sports participation form, (3) completed sports contract, and (4) completed medical history evaluation/physical examination form which verifies that the student is physically able to participate (available on the school's website under "Athletics").

PARENTAL PARTICIPATION. Parent participation is a necessary part of a successful sports program. Parents are responsible for getting their child to practices and games on time and with the necessary equipment and are to pick up their child after practice or a contest on time.

Parent assistance is also needed in the collection of admission charges and the manning of the concession area at home games. After team rosters are determined and league schedules received, a work schedule will be prepared and sent to the parents of team members with specific assignments for home games on a rotating basis.
