

# Helpful Websites for Parents

Organizations listed on this page are for resources and support only and are not intended for diagnosis. These organizations are not endorsed by the school counselors or St. Aloysius School. Please consult with your child's pediatrician or mental health professional for diagnosis and treatment for psychological, emotional, and learning disorders. Parents can request a counseling list by contacting the school counselors or administration.

## Academic Support

- Please contact your child's teacher or the school counselor for a list of academic tutors.
- **Homework help and online tutoring:** <http://www.homeworkla.org>
