

CSAA DEVELOPMENTAL BOYS BASKETBALL- 5TH GRADE

PARENT MEETING. A parent meeting will be held on Sunday, October 30 at 6:30 pm in Gymnasium II (new gym).

All required forms and fee must be submitted by November 8.

The CSAA will have a 5th grade school-based developmental boys basketball league in which St. Aloysius will participate. Each player will play a minimum of one quarter per game. No standings will be kept, nor championships or awards granted. Games will be played at the participating schools. The number of teams to be fielded at St. Aloysius will be determined by the number of boys who seek to play. Everyone will be assigned to a team.

The **5th Grade team** is open to boys in the 5th grade who were at least 10 on September 30th and who did not become 12 prior to September 1st. Each team roster shall consist of at least eight players, but should consist of at least 10 players and not more than 12 players.

SAS ELIGIBILITY - The school administration may remove any student from eligibility should a serious incident occur during the school day or at a sports or school related activity. Eligibility is based on report cards and disciplinary matters in each nine week reporting period and is reevaluated at the end of the next nine-week reporting period. (Refer to the School Parent/Student Handbook for further details.)

Practice and Season. Practice begins November 12 and will be held based on coach and gym availability. The season occurs in December and January.

Uniform. Each player will be issued a game jersey and shorts. These items are to be worn at games and must be returned after the season. [**See Uniform Contract, Conflicts, Shirt Order Form.**]

Equipment. Each player must provide his own shoes and wear plain white socks during games.

Fee. The fee is **\$100 payable to "St. Aloysius Athletic Department"**. The fee includes your son's CSAA registration.

PLAYER PARTICIPATION. Team members will receive adequate playing time. However, game participation may be based on attendance and participation at practice, attendance at games, conduct, and attitude. Each player present and available to play at a league game must play at least one quarter without substitution during the game. A waiver is permitted for injury, disqualified player, and disciplinary action.

REQUIRED FORMS - Each student must, prior to participation, provide (1) completed uniform contract, conflicts, shirt order form, (2) completed participation form (front and back), and (3) completed medical history evaluation/physical examination form. Form (1) is attached and forms (2) and (3) are available on the school's website under "Athletics".

NOTE: Forms (2) and (3) do not need to be submitted again if already turned in for the

student in this school year for football, swimming, or cross country.

PARENTAL PARTICIPATION. Parent participation is a necessary part of a successful sports program. Parents are responsible for getting their child to practices and games on time and with the necessary equipment and are to pick up their child after practice or a contest on time.

Parent assistance is also needed in the collection of admission charges and the manning of the concession area at home games. After team rosters are determined and league schedules received, a work schedule will be prepared and sent to the parents of team members with specific assignments for home games on a rotating basis.
