PLAYER PARTICIPATION. Team members will receive adequate playing time. However, match participation may be based on attendance and participation at practice, attendance at matches, conduct, and attitude. In the 6th and 7th grades, each player present and available to play must play at least one game without substitution during one of the three games in the match. A third game will be played in the 6th and 7th grades, regardless of outcome of the first two games. A waiver is permitted for injury, disqualified player, and disciplinary action.

REQUIRED FORMS - Each student must, prior to participation in a match, provide (1) completed uniform contract, conflicts, and shirt order form, (2) completed sports participation form, (3) completed sports contract form, and (4) completed medical history evaluation/physical examination form which verifies that the student is physically able to participate (available on the school's website under "Athletics").

NOTE: Forms (2), (3) and (4) do not need to be submitted again if already turned in for the student in this school year for basketball, cross country, or swimming.

PARENTAL PARTICIPATION. Parent participation is a necessary part of a successful sports program. Parents are responsible for getting their child to practices and contests on time and with the necessary equipment and are to pick up their child after practice or a contest on time.

Parent assistance is also needed in the collection of admission charges and the manning of the concession area at home matches and at our tournament. After team rosters are determined and league schedules received, a work schedule will be prepared and sent to the parents of team members with specific assignments for home matches on a rotating basis. These assignments will be made in a manner that the parent will be free to watch his or her child's match.

NOTE: Jewelry may not be worn during matches and warm-ups. Earrings of any type are not permitted. Tape over earrings will not be permitted. Consider this before allowing your child to have her ears pierced during the volleyball season.
