

ST. ALOYSIUS CATHOLIC SCHOOL

Lion's Roar: November 5, 2018

Parents,

One of our major safety concerns has been response time in case of an emergency. Historically, if the fire department or EMS has been notified, they arrive at 2025 Stuart Ave. since our address is listed as such. It required a representative from school to meet them on Stuart Ave. and direct around to the school office. This lost precious time on giving directions to arrive at the needed location prompted us to begin working on changing our school address. After much time on this project, it's OFFICIAL!! We finally have a Mimosa Street address, which will create a safer situation if we need EMS, Fire Truck, BRPD, or EBRSO.

The new SCHOOL address is 4001 Mimosa Street, B.R., LA 70808

A HUGE thanks to the Safety Committee for their work on this very important project to provide a safer environment for our school family. Fr. Randy is working on signage for the entire campus (church, childcare, and school) in order to further eliminate confusion. -Erin Candilora

“And my God will meet all your needs according to his glorious riches in Christ Jesus.” Amen
